Picture Disc, $5 a dance, put a **P** on the line next to the dance in the **photo column** then add them up >>>>>>>>>> pictures (# of dances) _____ x $5 =_____

Video Files Disc, $5 a dance, put a **V** on the line next to the dance in the **video column** then add them up >>>>>>>> video files (# of dances)_____x $5 =_____

picture discs in this case are pictures that where taken by a professional photographer of the dancers on stage during the performance and/or dress rehearsal. they're color corrected, cropped, etc and put onto disc to view and use on your computer. they are very high quality so you can make large prints at home or at a photo print shop. to keep up with demand and to give you more photos of the dances you want without paying for the ones you don't, you can pay per dance!

Total _____

video files of your chosen dances. would you like to have some dances on your **iphone, ipod,** and **computer**? want to show all your friends and family on **facebook, myspace, photobucket**, your **blog**, or **youtube**? well now you can! you simply put the video file disc in your computer, drag or download the files onto your computer, from there you can upload to the device or website of your choosing. you can also watch them on other devices that can play .m4v files. (**Digital Copy of single dance**)

important picture & video file discs will not play in your dvd player, they are made for computers and digital devices. pictures and video files may come together on a single disc.

pics & vid files are meant as add ons with dvds, without a dvd please order $10+
